School Mission and Goals

The mission of West Phoenix High School is to help all students develop basic skills, understanding and attitudes necessary to become productive citizens. We accomplish this through an integrated approach using curriculum aligned to the Arizona State Standards and relevant instruction. This alternative school serves young people for whom traditional schools have not been effective and predictably will not be in the future.

On Campus Incidents 0

We have seen no incidents this year, reconfirming the need for consistency in enforcing our policies and procedures, including zero tolerance for drugs and weapons. We continue to provide training for our teachers in classroom environment practices and safety-related concerns. Additionally, we work with local law enforcement.
